Lightweight Aluminium Frame
Quality Structure

This hanging banner sign features a triangle shape that helps you to advertise in 360°, maximising impact and reaching out to more customers at once! There are two sizes of ceiling hanging banners to choose from so that you can use the right one for your business needs. Pick from 244 x 107cm & 366 x 122cm, both made of the same high-quality materials to ensure long-lasting use wherever

Product Features:

3-sided banners show your custom graphics with 360° view to maximise impact. Digitally printed graphics use dye-sublimation for full colour custom designs!

Aluminium frame that is lightweight & easy to assemble

Transport to & from events is easy by utilising included nylon carrying bag!

Choose from sizes: 244 x 107cm & 366 x 122cm

Attaching zippered polyester fabric around frame is simple & makes a great display. Use frame as permanent fixture in stores or as portable display for events.

Hardware kit included with purchase for mounting unit to ceilings

FROM - \$899.00 Plus GST

Kit Includes:

- 1 x Printed Fabric Banner
- 1 x Frame with Hardware
- 1 x Carry Bag
